6. If you notice damage to a horse's stall, paddock or pasture, please inform management immediately.
7. Please keep the tack room and all other areas clean and neat.

Riding Safety and Arena Etiquette

1. Helmet and Safety Policy
 - A. All riders are required to wear a properly fitted, approved riding helmet with the chinstrap securely fastened at all time when riding.
 - B. It is recommended for any rider jumping to additionally wear a properly fitted, approved safety vest securely fastened.
 - C. All riders must wear proper attire at all times, including closed-toe footwear.
2. Jumping Policy:
 - A. No one may jump on premises unless another adult is present on grounds. It is also recommended to have a cell phone available to contact emergency services.
 - B. No one under 18 may jump on premises unless such jumping is part of an organized riding instruction session.
3. Arena Etiquette:
 - A. Please treat other riders with consideration and respect. Riders going in opposite directions should pass left-shoulder to left-shoulder and riders going in the same direction should pass on the inside.
 - B. Please leave at least one horse-length between your horse and other horses. If your horse is green or feeling frisky, please do not ride in a crowded arena, especially if other green horses or novice riders are present, and warn other riders in the arena so that they may treat you with extra caution. We expect more experienced riders to help less experienced riders by yielding the right of way to novice riders and green horses and politely pointing out any unsafe arena use.
 - C. If any rider falls, all other riders must immediately halt their horses and dismount, immobilize the rider, assist the fallen rider in catching his or her horse, and then inform management.

Accidents and Injuries

1. If you or a horse are involved in or witness an accident or injury, please report it immediately to management so that proper care can be administered.
